PROJECTS

saivion.github.io
- Using HTML, CSS, & JavaScript to improve on the fundamentals in addition to establishing a Personal Portfolio to showcase all the work I've accomplished

JavaScript Chart Project | *Collaborated Project*
- Upcoming Project between me & a colleague

Future Entrepreneur Project | *Personal Project*
- This project is solely based on helping current college students with the creation of a business plan, it will implement the support for students who currently struggle finding tutors, nail techs, cheap books for the "low", & other entrepreneurial based businesses we require week in and week out

PROFESSIONAL DEVELOPMENT & LEADERSHIP

SEO Career   New York, NY
SEO EDGE Participant   Jan. 2020 – Present
- Receiving coaching and online instruction to achieve targeted interview, technical, and professional developmental goals
- Learning business fundamentals to compete successfully for internship opportunities
- Completed industry-specific training and assessments focused on developing technical skills, institutional knowledge, and attention to detail

Student Government Association   Prairie View, TX
Senator of Architecture   Aug. 2019 – Present
- While holding the position as SGA, Senator of Architecture I accomplished implementing three bills, one of which is an "Internship Expose". This allows students that acquired an internship in the prior summer to "put students on game" about what it takes to get into their respected field as well as what is expected of you once there

ENACTUS   Prairie View, TX
Advisory Board Communicator   Aug. 2019 – Present
- Mentoring current students on what to expect when it comes to interviewing with Technical Companies
- Keeping contact between President & Advisory Board & making sure they are on one accord
