PROJECTS

saivion.github.io
Distinctive Project | Personal Website
- Programming & debugging Personal Website to improve coding abilities, understanding concepts, & implementing ideas in real world situations

Future Entrepreneur Project
Class Project
- This project is solely based on helping current college students with the creation of a business plan who do not have the privileges that others are provided. It will provide support to students who struggle by the day finding tutors, nail techs, cheap books for the "low", & other entrepreneurial based businesses we require week in and week out.
