PROJECTS

saivion.github.io
Personal Portfolio
- Using HTML, CSS, & JavaScript to improve on the fundamentals in addition to establishing a personal portfolio to showcase all the work I've accomplished

JavaScript Chart Project
Personal Project
- Upcoming Project between me & a colleague --

Future Entrepreneur
Personal Project
- This project is solely based on helping current college students with the creation of a business plan, it will implement the support for students who currently struggle finding tutors, nail techs, cheap books for the "low", & other entrepreneurial based businesses we require week in and week out
